## Special Notice

This is not a private medical insurance and only gives cover in the event of an **Accident** or sudden **Illness** that requires emergency treatment. In the event of any medical treatment becoming necessary which results in a claim under this insurance, **You** will be expected to allow insurers or their representatives unrestricted reasonable access to all **Your** medical records and information.

The policy does not intend to cover the normal costs or losses otherwise associated with pregnancy (including multiple pregnancy) or childbirth. This includes but is not limited to delivery by caesarean section or any other medically or surgically assisted delivery which does not cause medical complications. The policy does, however, cover **You** should complications arise with **Your** pregnancy due to **Accidental Bodily Injury** or unexpected **Illness** which occurs while on **Your Trip**.

## Period of Insurance

If **You** have paid the appropriate annual multi-trip travel insurance premium and **You** are under 79 years old at the time of purchase of the policy, the overall period of insurance shall be for 12 months starting from the date shown. This insurance then covers an unlimited number of holiday/leisure **Trips** starting within that period, except that if **You** are undertaking a **Trip** that exceeds the maximum number of days shown in the benefits schedule **You** will not be covered for those days that exceed the maximum limit. **Wintersports** are covered up to the total number of days shown in the benefits schedule. **You** are insured when travelling on leisure or business.

Except as stated below, cover for each separate **Trip** under this insurance starts when **You** leave **Your Home** or place of business in **Your Home country** at the start of **Your Trip**, and finishes as soon as **You** return to **Your Home** or place of business in **Your Home country**.

**You** are only covered for the period for which a premium has been paid and in any event the total period of any one **Trip** must not exceed the period shown in the benefits schedule.

For cancellation only (section 1), cover starts from the date shown on **Your** certificate or the date **You** book **Your Trip**, whichever is the later.

If **You** are going on a one-way trip all cover will finish 48 hours after **Your** arrival in the country of final destination.

If **Your** return is unavoidably delayed for an insured reason, cover will be extended free of charge for the period of delay.

## Changes in Your Health

- If **Your** health changes after **You** purchased **Your** policy or before booking **Your Trip** but before **You** travel, **You** must tell **Us** about these changes if because of these **You**:
  - Have seen a doctor and have seen or been referred to a consultant or specialist;

- had been given a terminal prognosis, or been told that their condition is likely to get worse in the next 12 months.

## Important Features

**We** would like to draw **Your** attention to some important features of **Your** insurance including;

- Insurance document** - **You** should read this document carefully. It gives full details of what is and is not covered and the conditions of the cover. Cover can vary from one policy to another so **You** should familiarise yourself with this particular insurance.
- Conditions and exclusions** - Specific conditions and exclusions apply to individual sections of **Your** insurance, whilst general exclusions and conditions will apply to the whole of **Your** insurance.
- Health** - This insurance contains restrictions regarding the health of the people travelling and of other people upon whose health the **Trip** depends. **You** are advised to read the document carefully.
- Property claims** - These claims are paid based on the value of the goods at the time **You** lose them and not on a 'new for old' or replacement cost basis. Deductions will be made in respect of wear, tear and depreciation.
- Limits** - This insurance has limits on the amount the **Insurer** will pay under each section. Some sections also include other specific limits, for example, for any one item or for **Valuables** in total.
- Excesses** - Under some sections of this insurance, claims will be subject to an excess. This means each person will be responsible for paying the first part of their claim under each applicable section.
- Claims arising from alcohol** - **We** do not expect **You** to avoid alcohol during **Your Trip**, but will not cover any claim arising from excessive alcohol consumption, by which **We** mean where **You** have drunk so much alcohol that **You** have notably impaired **Your** faculties and/or judgement and **You** need to make a claim. Please refer to general exclusion 8.
- Reasonable care** - **You** need to take all reasonable care to protect yourself and **Your** property, as **You** would if **You** were not insured and that includes not doing anything that could reasonably be expected to cause injury or death to **Yourself** or others. Any amounts the insurers will pay for property left **Unattended** in a public place or **Unattended** vehicle is very limited, as specified.
- Sports & activities** - **You** may not be insured if **You** are going to take part in sports & activities where there is a generally recognised risk of injury. Please check that this insurance covers **You**, or ask **Us**.
- Customer service** - **We** always try to provide a high level of service. However, if **You** think **We** have not lived up to **Your** expectations, please refer to the complaints procedure.
- Cancellation rights** - This insurance contains a 14 day 'cooling off' period during which **You** can return it and get a full refund, providing **You** have not travelled and there are no claims. **We** reserve the right to deduct from the rebate of premium the necessary costs incurred in processing the original sale and cancellation.
- Fraudulent claims** - It is a criminal offence to make a fraudulent claim.
- Residency** - This policy is only available if **You** are permanently resident in the **United Kingdom**, Channel Islands or Isle of Man and registered with a **Medical Practitioner** in **Your Home country**.

## Reciprocal Health Agreements

### EU, EEA or Switzerland

If **You** are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland **You** are strongly advised to obtain a European Health Insurance Card (EHIC). **You** can apply for an EHIC online at [www.ehic.org.uk](http://www.ehic.org.uk) or by telephoning 0300 3301 350. This will entitle **You** to benefit from the health care arrangements which exist between countries within the EU/EEA or Switzerland. In the event of liability being accepted for a medical expense which has been reduced as a direct result of **You** presenting **Your** European Health Insurance Card to the medical facility at the time of treatment **We** will not apply the deduction of excess under Section 2 - Emergency Medical Expenses.

### Australia or New Zealand

If **You** require medical treatment in Australia **You** must enrol with a local MEDICARE office. **You** do not need to enrol on arrival but **You** must do this after the first occasion **You** receive treatment. Inpatient and out-patient treatment at a public hospital is then available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE Website on [www.humanservices.gov.au/medicare](http://www.humanservices.gov.au/medicare) or by emailing: [medicare@humanservices.gov.au](mailto:medicare@humanservices.gov.au).

If **You** require medical treatment in New Zealand, there are reciprocal agreements, but a person may not enrol with a Primary Health Organisation (PHO). They should get the same health subsidies as a New Zealand citizen visiting a general practitioner as a casual patient, if the **Medical practitioner** has decided the condition needs prompt attention. For more information, please go to [www.health.govt.nz](http://www.health.govt.nz) or email: [info@health.govt.nz](mailto:info@health.govt.nz). Alternatively please call **Our** nominated emergency service for guidance.

If **You** are admitted to hospital contact must be made with **Our** nominated emergency service as soon as possible and their authority obtained in respect of any treatment NOT available under MEDICARE or a Primary Health Organisation (PHO).

In the event of liability being accepted for a medical expense which has been reduced by the use of either a EHIC, Medicare in Australia or private health insurance, **We** will not apply the deduction of a policy excess under Section 2 - Emergency Medical Expenses.

## Territorial Limits

**You are covered** for **Trips** to countries within the following areas provided that **You** have paid the appropriate premium, as shown in **Your** certificate;

- Area 1** The **United Kingdom** (being England, Scotland, Wales and Northern Ireland), the Channel Islands and the Isle of Man.
